BETHLEHEM SET "C SPECIAL"

BETHLEHEM SET "D"

The biggest sale to mechanics of any set offered. There are taxicab companies and service stations that require every mechanic in their establishment to own one of these "D" sets.

Packed in orange enameled, heavy steel box, serviceable as a tool kit. Contains complete "A" Set of seven small sockets for carburetor, magneto, vacuum tank, radio and other small work; also sixteen "D" sockets in $\frac{1}{32}$ " sizes, giving total of 23 sockets from $\frac{9}{32}$ " to $\frac{30}{32}$ ". Complete with Bethlehem drop forged ratchet wrench, universal joint, one each extensions of 1 in., 2 in. and 4 in. and a sliding "T" handle. Makes a compact set of tools weighing 9 lbs. 10 oz.

Sockets turned from solid bar alloy steel, broached and cyanide hardened, chamfered and finished like real tools. Oxidized copper plated to prevent rust. Gives the mechanic a set he will be proud to own, and one that is a real time saver.

★ Net per Set, \$10.30
